

Preschool and Recreational Gymnastics

Children of all ages will love swinging, tumbling and jumping in our huge facility that features two spring floors, four sets of bars, nine balance beams, ring tower, high bar, trampoline, tumble trak, foam pit and more! Preschool age gymnasts learn gross motor skills, reading readiness and coordination in our specially designed Kindergym area with tot-sized Olympic events, rock wall, slide and trampoline. Beginning and intermediate boys and girls practice on USAG regulation equipment, visiting 2 events per class in a safe, progressive, and non-competitive environment.
